

# Certificate of High-Growth Management Excellence

High-Growth Consulting's Certificate of "High-Growth Management Excellence" (HGME) provides advanced learning that can help you expand your high-growth leadership management skills within your company and on your resume. Based on a regimen of high-growth content, including the Axioms of High Growth, the certificate is the irrefutable acknowledgement of success that an individual has demonstrated by passing the program courses of excellence.

To earn the certificate, request a "Statement of Aspiration" by contacting the HGME program director at [HGME@highgrowthllc.com](mailto:HGME@highgrowthllc.com).

HGC will email you a profile application which will determine the competencies required to fulfill the following high-growth management levels: Executive, Senior Manager, Department Manager, Middle Manager, Supervisor, and Basic Manager. HGC will send an assessment which determines the level of management proficiency that you currently are in, and you can then apply for the curriculum of the position determined by the assessment.

We will accept you into three of the qualifying programs listed below, and you must complete the three programs successfully within 18 consecutive months.

## Qualifying Programs

The Certificate of "High-Growth Management Excellence" (HGME) provides advanced management development that can help you expand your high-growth leadership for current and future management positions during your career. We will base the following qualifying programs upon the level of proficiency which you currently possess in:

**1) Strategic Management; 2) Operational Management; 3) Leadership Management.**

Only the most distinguished individuals will complete the program within the 18 month time period.

# Certificate of High-Growth Management Excellence
